

Young Life is building a strong foundation of support for its ministry in the Greater Athens area, and now you can cement your legacy at the Young Life House through the “Young Life Athens Brick Campaign.” Bricks available for purchase will create an outdoor patio at the Young Life office on Baxter Street for everyone to enjoy. Young Life supporters, leaders, alumni, family and friends will be able to engrave their name onto each brick, cementing their legacy in, and support for, Young Life Greater Athens.

By participating in the “Young Life Athens Brick Campaign,” you’ll be helping the Young Life House and supporting the ministry we love.
